

Be a part of ASSEMBLY Audible live and in person at The ASSEMBLY Show! This podcast explores the people, processes, and technologies for assembling parts into finished products. ASSEMBLY Audible provides insights, ideas, and inspiration that listeners can put in action right away, whether they make large products in small volumes or small products in large volumes.

Do you have insights, knowledge, or expertise to share with ASSEMBLY's subscribers? ASSEMBLY Audible is an opportunity for you to connect with listeners, get them engaged with your brand mission, and establish your company as an industry leader!

Your \$1,499 Podcast Sponsorship Includes:

- 3-5 minute podcast interview recorded on-site at The ASSEMBLY Show
- Recognition in The ASSEMBLY Show podcast line-up in the on-site show program and on-site signage
- Podcast posted on ASSEMBLY Audible and The ASSEMBLY Show websites
- One post on ASSEMBLY social media pages (Facebook, Twitter & LinkedIn) to promote podcast
- Audio file of recording delivered to sponsor for unlimited and unrestricted company use

Video Upgrade for \$899 Includes:

Upgrade your podcast to have it professionally video recorded! You can bring equipment to show and demonstrate as well as provide footage or photos to include in the video in post-production. Receive all of the above benefits, plus:

- Video posted on The ASSEMBLY Show website
- Video file of recording delivered to sponsor for unlimited and unrestricted company use

Don't miss your chance to reach a targeted audience of ASSEMBLY subscribers and ASSEMBLY Show attendees. Share your expertise and gain exposure with potential customers!

Ask your Sales Manager for more information on this and other sponsorship opportunities:
