

MACHINE
BUILDER
•
ROBOTIC
INTEGRATOR

Over 25 Years Building Automation

In-House Capabilities

- Design Services: Mechanical, Electrical, Controls
- Fabrication
 - Welding & Metal Fabrication
 - Machining
 - Polishing/Grinding
 - Painting
- Programming
- Custom Software for Data Acquisition
- Vision System Services
- Full System Testing
- Installation Services & 24/7 Tech Support

Experience – 25 Years Building

- Custom Assembly Systems
- Machine Tending & Welding Automation
- Packaging & Palletizing Equipment
- Material Handling & Parts Feeding Systems

Industries Served

- Aerospace
- Automotive
- Appliance
- Electronics
- Medical / Pharma
- Molding & Casting
- Machining & Fabrication
- Metal Stamping

Company Facts

- Over 30 Patents
- Large Inventory of Robots
- Fastest Growing Tech Co.
